Royal Academy of Music.

JUNIOR DEPARTMENT.

A Junior Department of the Academy has been started with the object of providing sound and suitable instruction for pupils who are too young to be admitted as ordinary students, and whose time is chiefly occupied with their general education.

Intending pupils must be under sixteen years of age, and care will be taken to place them under teachers who have special experience in the teaching of young children.

As it is desirable to interfere as little as possible with a pupil's general education, every effort will be made to arrange lessons and classes to meet individual requirements.

The inclusive fee of **£7 7s. 0d.** per term includes a Principal Study, Elements of Music, Sight Singing, and Ear Training.

The Prospectus, giving full particulars of the Course of Study, Fees, and Regulations, can be obtained on application.

TEACHERS' TRAINING COURSE.

All Students who wish to enter the Teaching Profession are strongly advised to prepare themselves for Registration by the Teachers' Registration Council, 47, Bedford Square, W.C.

One of the essentials for Registration is attendance for one academic year, or its equivalent, at a Teachers' Training Course.

Students who satisfy the Principal or Curator, as to attainments, may, during their third year at the Academy, take their Principal Study and the Training Course in lieu of the ordinary curriculum for the same fee, viz., **£14 14s.** per term.
